Notes from the President

What a way to start the new year. We had a great turn out for the meeting with over 20 people. Bob Stephenson is the focal point for club activities. Any member can suggest an activity and Bob will bring it to the club members at the monthly meeting. Let him know any ideas that you have. I am looking forward to the Heritage Days Car Show and everyone needs to let David know how you can be involved. It is going to be a great 2012. Save the Wave.

HERITAGE DAYS CAR SHOW COMMITTEE

David Adams reported that he met with the Brazoria County Car Club and reported that they were looking forward to working with MCCC to host the Heritage Days Car show. They discussed raffles trophies, sponsors and requested that the Music be “Big Band” this year. David was reassured that they would be sure to have the Car Show advertised in the paper and that the side street would be roped off use the Car shows use. David appealed to the club (MCCC) that we need volunteers to help, especially with collecting raffle items to help raise funds, (which we use to distribute to charities). Please submit your suggestions as soon as possible so the club can vote on them.

UNFINISHED BUSINESS

A. Activities Committee – An open position for Activities director still exists. A couple of options were raised last month for consideration, (rotate monthly, or open suggestions). It was agreed that an Activity Director to coordinate or oversee the process was the desired option. Peggy Miller nominated Bob Stephenson for the position. Bob accepted the nomination and was voted in by acclamation. Please send your activity ideas to Bob

NEW BUSINESS

David Adams discussed the Corvette/Chevy Expo scheduled for Feb. 11 & 12 @ the George R. Brown Convention Center. MCCC had 4 cars attend last year and won 4 awards. Show prices will go up after Jan. 6th so get you application in soon. It was also note that there will be other events of interest going on at this car show so it should be a lot of fun. See Bob or David for more information.

Mike McCoy presented the MCCC Brown Shorts Award to Steve Tyrrell. Steve earned this award for his super shifting abilities. This amusing (for all but Steve) performance was at the Texas Mile event in Beeville last October. Way to go Steve! Steve will hold this award until another member is nominated for going out of their way to “entertain” us at an event.

Hugh Landon informed us of the Tony Partien’s Memorial Bike Ride event. This event is to support kids that aspire to be mechanics. All vehicles are welcomed. Angleton Ice House Jan. 14 @ 9:00 am. See Hugh for more info.

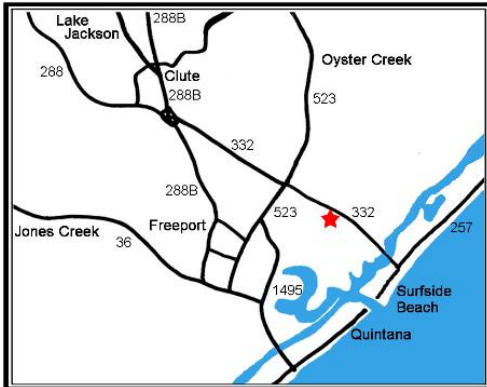

The dates for the Waco Autocross was confirmed to be May 19 & 20th

A motion to move next month's meeting place to Kook's Surf Shop & Grill passed. Kook's is located on Hwy 332, heading south on 332 towards Surfside, it is on the right past Buccee's and before the Intercoastal bridge.
